**ROLLING ON THE RIVER:** Residents traveled to Cambridge to enjoy a fall riverboat cruise. After lunch at the Cheesecake Factory, they boarded the boat for the trip, which featured a guided narrative on the sights of Boston and Cambridge. Highlights included Beacon Hill, Esplanade Park, the Back Bay, Boston University, M.I.T., Harvard, and many sailboats and rowers.

**MUSICAL FUN IN MEMORY CARE:** We make sure to incorporate lots of music into our regular activities in Memory Care. Residents particularly enjoy when they can take part in musical performances themselves. Above, left to right, **Clara Otey, Alysse Farlow, Morris Karol, and Calliope Carmosino** play in a percussion concert.

**STAFF APPRECIATION:** If you would like to acknowledge the service and kindness shown to you throughout the year by our staff members, please donate to the annual Staff Appreciation Fund. Each staff member will receive a share based on the hours he or she worked this year. *Please note:* The senior management team is excluded from the distribution. To contribute, please fill out the form in this month's mailing, and leave a sealed envelope with a director or at the Front Desk. Your confidential gifts will be acknowledged in writing. **KEEPING OUR BUILDINGS UP-TO-DATE AND SECURE:** Thank you to Cummings employee **Jimmy Anastasiades**, who led a complex project to replace our security camera system, including all the internet and data cables throughout the buildings on the Marlborough campus. Over a period of more than six months, Jimmy strung more than 50,000 feet of fiber, camera, and coaxial cable to power new digital cameras. Thanks to these efforts, high-resolution footage of our public common areas is now available for managers to review when security concerns are raised.
